

Join us for the 3rd
film in the Environmental
Sustainability Film Series!

When: Nov. 2nd, doors at
6:30pm, film at 7pm

Where: BPMC, room 101

Who: All faculty, staff,
students, and
community members

After watching what the pesticide industry was
doing to their home state, Keely and Pierce
Brosnan of Hawaii created "Poisoning Paradise"
to bring light to the larger issue at hand and
showcase what local communities are doing to
fight back.
